Report Cards – Junior High and Senior High

Grades 8 to 12 students in GROW (students who are not adults) will be receiving their report card this week. Given the distributed nature of our students, the report cards will be sent out via MyEducation BC (our student management program) whereby the students and parents/guardians will be able to login to MyEducation BC and examine their report card. You will know that your report card is ready for viewing when you receive an email (both students and parents) telling you to login to MyEducation BC. If you do not know your login information for MyEducation BC, please email Ken Matieshen and he will assist you with MyEducation BC. Finally, paper copies of your report cards are still available, and will be provided by GROW upon request.

GROW for 2023 – 2024

In summary, GROW for 2023 – 2024 will:

1. Not offer grades 8 to 12.
2. Focus on K – 7.

GROW may centrally relocate based upon student addresses - Lac La Hache Elementary seems to fit this description so far. This decision has not been made to date, but any comment/feedback you may have to the changes needs to be sent to Ken Matieshen via email to ken.matieshen@sd27.bc.ca or via a phone call to Ken at 250-305-7955 as soon as possible.

Transition and Preparing for September 2024

In preparation for 2023 – 2024 please note the following:

- Students in Grades 7 to 12 have been sent information for September 2024 to transition to a new school. Ken Matieshen will be following up with all these students to ensure that they have success in this regard.
- Students in K – 6 will be receiving their Activation Packages for their next grade as well as registration forms for 2023 – 2024 in the near future. When the packages are ready for distribution, you will be informed of this fact.

For all students (K – 12 including adult students) all courses must be completed by June 2023 as there is no summer school option at GROW.

Our next session will be on May 18th where we examine a virtual saw mill. As the date approaches, more information will be forthcoming.
